

RULES

EACH OWNER IS TOTALLY RESPONSIBLE FOR HIS/HER DOG(S) AT ALL TIMES

This rule includes each owner must clean up after their dog(s)

NO TREATS / NO TOYS :

Please do **not** bring and distribute treats / toys to your, or any dog, during the tour while anywhere around the group or members of the group. This is very important! Many dogs have food / toy aggression issues, and even if your dog doesn't, feeding him or her around dogs that do have issues may trigger them, or even trigger your dog to respond to their energy inappropriately.

NO RETRACTABLE LEASHES:

All dogs **must** be on a static leash of a maximum of 6 feet long at all times. **No retractable leashes are allowed on your tour!!!** Retractable Leashes (leashes that spool in and out) do not give one sufficient control over the dog and result in numerous dangers and will not be allowed under any circumstances on our tours. We want to bring everyone home healthy, happy and ready for more!

NO AGGRESSIVE DOGS

NO DOGS IN HEAT

BRING YOUR DOG WATER & A WATER BOWL

TRAVEL INSURANCE IS COMPULSORY (almost):

Travel Insurance is highly recommended on all Happy Tails Tours. We recommend you purchase a policy as soon as your booking has been confirmed. If you choose not to purchase travel insurance, you will be required to sign a waiver. Please ensure your policy covers all optional activities you may wish to participate in as well as air rescue and repatriation. Also we strongly recommend cancellation and baggage coverage. Due to the nature of traveling with our pets, we have a stringent cancellation policy to ensure that trips are not undersold and thus cancelled due to last minute cancellations.

A COPY OF RECENT VACCINATION RECORDS

We require the above records showing that your pet is fully vaccinated against rabies, Bordatella, distemper and Parvo and that the vaccinations will be valid throughout the tour. .

FLEA AND TICK PREVENTION PROGRAM

We also ask that your dogs are on a flea and tick prevention program.
